Who We Are

Texas Workforce Solutions - Vocational Rehabilitation Services, often referred to as TWS-VRS or VR, is an eligibility-based program that aims to assist individuals with disabilities in Texas by providing them with the necessary services and support to prepare for, obtain, retain, or advance in employment.

We serve Texans with disabilities starting at the age of 14 and adults of all ages.

A few examples of the types of disabilities we support are:

Mental Health
Condition

Physical
Disability

Hearing Loss or
Deafness

Chronic Health
Condition

Learning
Disability

Low Vision or
Blindness

How we Partner

In 2016, Vocational Rehabilitation Services transitioned from Texas Department of Assistive and Rehabilitative Services (DARS) to the Texas Workforce Commission and became Texas Workforce Solutions – Vocational Rehabilitation Services (TWS-VRS).

Post-integration, VR staff relocated to workforce solutions centers. This move not only advanced our synergy but also positioned us to seamlessly provide workforce solutions to Texans. Our concerted efforts have been dedicated to expanding partnerships, leveraging resources, and empowering Texans with disabilities to achieve their employment aspirations.

Partner Collaborations

Key collaborative programs include SEAL and Year-Round PWE. Beyond these, our partnership extends to ensuring seamless communication in joined efforts to serve both job seekers and employers.

2024 Partnership Goals

In 2024, our collaborative efforts will be directed towards augmenting co-enrollment rates, aligning outreach initiatives, and fortifying joint projects.

Our specific goals involve boosting co-enrollment figures by ensuring a seamless referral system between both organizations. We plan to increase awareness about our integration through coordinated cross trainings and encourage both teams to get to know each other better.

Texas Talent Experts

TWC's Statewide Initiative of being Texas Talent Experts is a shared vision that drives our collaborative efforts.

- **Dual Customer Focus**
Leveraging our services allows us to create a holistic ecosystem where both job seekers and employers benefit from a comprehensive range of services.
- **Optimizing Systemic Solutions**
By aligning our strategies and resources, we can address challenges at a systemic level, creating a more resilient and adaptable workforce.
- **Maximizing Services for Disability Talent**
Our collaborative efforts contribute to advancing diversity and inclusion in the workforce, creating pathways, removing barriers, and ensuring that disability talent has an effective pipeline to employment.

Program Overview

Ready to Work (RTW) is San Antonio's unprecedented education and job placement program.

In 2020, San Antonio voters overwhelmingly approved the \$200 million program, which is funded by a 1/8-cent sales tax. Local employers have pledged support for the program and provide guidance relating to in-demand, well-paid occupations, and relevant training.

Ready to Work intends to interview over 39,000 applicants, to enroll over 28,000 participants in approved training programs (including certifications, associate's and bachelor's degrees), and to place over 15,600 training completers into quality jobs.

Ready to Work tracks additional information about participants, such as military status, disability status, and justice involvement. Please contact RTW.help@sanantonio.gov for more information.

MEMORANDUM

To: Board of Directors
From: Adrian Lopez, CEO
Presented By: Jeremy Taub, CPPO, Director of Procurement and Contracts
Date: March 1, 2024
Subject: Procurement Diversity Update (SMWVBE)

Summary: Workforce Solutions Alamo - Board of Directors adopted a Historically Underutilized Business, HUB Policy in the Spring of 2021. The diversity program compares overall vendor expenditures for WSA with Small, Minority, Women or Veteran Owned Business Enterprises (SMWVBE). Procurement and contracts provide regular updates on SMWVBE expenditures to the Board of Directors, *in support of Texas Talent and Economic Growth – Goal 2, Service Optimizers.*

Update: Revisions to reporting have been made to compare overall expenditures between SMWVBE and non-SMWVBE vendors.

- WSA’s SMWVBE year-to-date percentage of board corporate expenditure is **18.80%** for the reporting period 10/01/2023 – 11/30/2023.
- Fiscal year-to-date: WSA has issued payments to approximately 86 vendors for the purchase of goods and services with 15 identifying as HUB.
- WSA - Procurement and Contracts management makes efforts to solicit at least two SMWVBE vendors to purchase goods and services exceeding the micro-purchase threshold whenever possible.
- WSA may rely on the certification credentials granted by the State of Texas, South Central Texas Regional Certification Agency (SCTRCA), or other means to identify eligible small, minority and/or woman owned businesses for reporting purposes.
- Outreach efforts include:
 - ✓ Utilizing various local SMWVBE online search directories, including The South-Central Texas Regional Certification Agency (SCTRCA), and Texas Central Master Bidders List, CMBL.

A proud partner of the  American Job Center network.

- ✓ Ongoing vendor assistance is provided as needed on How to do Business with WSA.
- ✓ Establishing and fostering communication with SMWVBE and non-designated vendors, suppliers, professionals, and contractors to involve them in the procurement process.
- ✓ Encouraging SMWVBE participation at pre-bid conferences; and developing and encouraging the promotion and use of the Electronic Purchasing Notice and Document Distribution System at no cost to the vendor.
- ✓ Continue to monitor SMWVBE expenditures for tracking and reporting.
- ✓ Maintaining and updating internal vendor registry for use in identifying vendors for end users seeking to increase the utilization of SMWVBEs in the execution of purchases.
- ✓ Advertising for bid submissions online and electronic invitation may be utilized to notify vendors, suppliers, and contractors as to the availability of contracting opportunities.
- ✓ Participation at the annual Bexar County Small Business Expo at the Freeman Coliseum in December.
- ✓ The procurement office at least once annually surveys its vendors to provide updates and cross-reference its internal list of SMWVBE to the responses received to update status.

Fiscal Impact: Workforce Solutions Alamo has an aspirational goal of 20% of expenditures going to SMWVBE vendors. WSA's SMWVBE year-to-date percentage of board corporate expenditure is **18.80%** for the reporting period 10/01/2023 – 11/30/2023. In the board's previous fiscal year, which was for the period ending September 30, 2023, the expenditure rate was 42.35% of total operating expenses.

Recommendation: Our efforts continue to identify the SMWVBE status of WSA's current vendors and register new vendors throughout the year. Continue utilizing SWMVBE vendors when practicable, reasonable, and within sound business principles. The board will continue to monitor and provide regular updates on utilizing SMWVBE vendors.

Next Steps: Procurement will update the Strategic Committee and the Board of Directors periodically on WSA's progress to achieve our stated aspirational goal of 20%.

Attachments: None.

SMWVBE Update – PROCUREMENT DIVERSITY PROGRAM

Successful Highlights:

- Outreach to current vendors has increased the number of SMWVBE classifications, which resulted in expenditures to be at 18.80%.
- WSA has issued payments to approximately 86 vendors for the purchase of goods and services with 15 identifying as HUB.
- Attended Bexar County HUB Expo in December.
- Encouraging SMWVBE participation at pre-bid conferences; and promoting use of Electronic Purchasing Notices and Document Distribution System.
- Providing demographic information on the childcare providers received from the contractor (City of San Antonio).
